TOUR

A Musical

by

D. Q. Pham

SYNOPSIS

Tour is about finding your impact. The matter surrounds a physicist tackling her education and fighting for the prospects that follow. Though her mind values the magnetic paces ahead, dreams do not electrify. So, she may need to reconnect working circuits and disconnect from those that crossed the field lines.

Quark enters the University as a physics student, dreaming of working at an accelerator. Professor Boson connects her to magnetism. However, their opposite charges never attract but an instance of perhaps, identical. Лептоны takes charge of Quark's livelihood each time Quark gets cut down by Boson; he has the power to fail anyone and even defund institutions. With the introduction of this musical thesis, Quark acquires the circuits to bring unharnessed energy to the Accelerator.

NOTES ON ATTIRE & COSMETICS

Performer portraying Quark: In the emergence era of co-op research, she would fit in with generally a blouse, a belted skirt, and close-toed heels. She eventually lugs around her sentimental green helmet, attached to a lanyard around her neck.

Performer portraying Лептоны: She soils her science gear when she is working, but when she is not, she wears much more dull clothes. She dresses up as a rancher near the Desertron. She wears her orange helmet at the Accelerator.

Performer portraying Boson: He fits in anywhere. He is suited to take on a tenure. He is beyond well-dressed for the Accelerator to demonstrate his reign. In that case, he hardly sleeps.

Performers portraying engineers/technicians: The orange clothes and safety gear are for physics.

ACT I

1. EXCHANGE PARTICLE

SCENE i

[Administration Building]

(QUARK enters, likely coming from a train. She wanders around, quickening her pace.)

(ATOM enters, staffing himself.)

ATOM

QUARK. CONGRATULATIONS.

(Handing a schedule to QUARK.)

QUARK

(Examining the schedule.)

I KNOW HIM FROM SOMEWHERE. BEAMS... WHAT'S WITH MY MEMORY.

ATOM

BOSON GAUGE. HE'S THE BEST. A CHILD PRODIGY.

(Exiting.)

(QUARK rushes around. She bumps into ЛЕПТОНЫ, knocking over all ЛЕПТОНЫ's belongings.)

ЛЕПТОНЫ

NO CONTROL! YOU СУКА!

QUARK

AN ACCIDENT!

(QUARK picks up ЛЕПТОНЫ's belongings but one thing.)

ЛЕПТОНЫ

I AM GOING TO BE LATE! YOU HEAR ME? RESEARCH GROUP.
LIFE OR DEATH. ДЕРЬМО (der'mo)! DOCTORAL... OVER... IN
MATTERS OF SECONDS.

QUARK

(Holding ЛЕПТОНЫ's belongings.)

I HEAR YOU. NOW WILL YOU TAKE ДЕРЬМО' (der'mo).

ЛЕПТОНЫ

YOU NEW HERE? YOU SEEM... OLD. DOCTORAL? YOUNG ADULTS.
WE SHOULD CATCH U—

QUARK

GO!

ЛЕПТОНЫ

YOU ПИЗДА' (pizdá) MADE ME LATE!

(Running off.)

(ATOM rushes in, bewildering QUARK. He picks up the remaining thing.)

АТОМ

LEVIATHAN! YOU DROPPED SOMETHING!

(Rushing after ЛЕПТОНЫ.)

ЛЕПТОНЫ

IT'S ЛЕПТОНЫ (leptonia)!

2. HARD RUN

SCENE ii

[Lecture Hall]

[A field line diagram is written on the chalkboard.]

(BOSON, ATOM, STUDENTS push in the chalkboard.)

(QUARK, ATOM, and STUDENTS gather.)

(BOSON paces.)

STUDENT

NEUTRONS!

(BOSON dismisses the answer.)

STUDENT

PHONONS!

(BOSON dismisses the answer.)

STUDENT

MUONS!

(BOSON dismisses the answer.)

STUDENT

BOSON?!

(BOSON is taken off guard.)

ATOM

Borons... Theory!

STUDENTs

Hmm.

ATOM

That's it!

STUDENTs

(Bursting out laughing.)

(BOSON feels disappointed.)

(QUARK sticks out.)

Hmm.

QUARK

POS-TIVE. NEG-TIVE.

BOSON

WELCOME TO THE CONTOUR. LET IT FLOW-OW.

(STUDENTs set up the laboratory.)

STUDENTs

`LECTRICITY!

BOSON

DO BUILD YOUR N-EST.

STUDENTs

WITH `LECTRONICS!

BOSON

DO THEY ATTRA-ACT...

STUDENTs

SO MAGNETIC!

BOSON

ATTENTION.

QUARK

YOU WOULD LET ME...

STUDENTs

IT'S EXCLUSIVE!

QUARK

BUILD MYSELF IN YOUR...

STUDENTs

NO EXPER-ENCE!

QUARK

LA-BRA-TOR-Y?

STUDENTs

SESSION IS FULL!

*(BOSON nods. He pushes the chalkboard out,
revealing magnets on a desk.)*

SCENE iii

[Laboratory]

STUDENTS

THOUGHT YOU'D NEVER ASK...

BOSON

PERFORM A CONTROLLED EXPER-MENT. FORCE. ATTRACTING.
USING FERROMAGNETS. PERMANENT DIPOLES. REMOVE FIELDS

another STUDENT.)*

STUDENTs

STILL THE BORON!

(BOSON takes two magnets. He extends one to QUARK.)

BOSON

NEED A PARTNER?

STUDENTs

RATHER WORK 'LONE!

QUARK

I WOULD BE HONOURED.

(Accepting the magnet.)

STUDENTs

OH INDUCTANCE!

QUARK

SAY, WE'RE 'TRACTED.

STUDENTs

A LITTLE FORCED!

BOSON

REPEL!

(Each pair of STUDENTs distance themselves, forming magnetic formations with electrifying dances.)

(The world has completed some revolutions as time whizzed by in the delightful classes that QUARK and BOSON have together.)

(Eventually, ЛЕПТОНЫ enters. She feels silently intrigued by the experiments.)

(QUARK feels distracted by ЛЕПТОНЫ. She seems to be repelling away from BOSON.)

(Once the experiment concludes, ЛЕПТОНЫ confronts BOSON. She hands BOSON a paper. She departs.)

(BOSON reads the paper.)

(STUDENTs stop dancing and focus on BOSON.)

BOSON

I HAVE BEEN ACCEPTED TO THE NEW LA-BRA-TOR-Y...

STUDENTs

PLEASE DO NOT GO! WE'LL ALL MISS YOU. CELEBRATION.

(BOSON remains silent.)

STUDENTS (cont.)

PROFESSOR'S SPEECHLESS.

(Setting up Office.)

THINK IT OVER!

(BOSON waves STUDENTS off.)

WE WILL REPEL!

3. CROSSING FIELD LINES

SCENE iv

[Office]

(QUARK hands BOSON a booklet.)

BOSON

(Reading the cover.)

ÉTUDE THÉORIQUES DES SUSCEPTIBILITÉS MAGNÉTIQUE
MOLECULAIRES.

QUARK

I THOUGHT YOU'D LIKE MY THESIS BEFORE YOU'D LEAVE
FOR YOUR DESTINY IN LAB.

BOSON

(Revealing a box.)

I THOUGHT I'D NEVER ASK THIS OF YOU...

(Opening the box to reveal a magnet.)

WILL YOU BE MY PERMANENT COLLABORATOR?

*(QUARK is caught off guard. She notices an
incorrect field line diagram on the desk.)*

QUARK

THE FIELD LINES HERE, CROSSED.

(BOSON looks through QUARK's thesis.)

BOSON

OP-SITE CHARGES REPEL.

QUARK

THAT WAS THE... RESULT OF... THE... EXPERIMENT.

(BOSON swipes a pen over QUARK's thesis.)

(QUARK builds rage.)

(BOSON builds remorse.)

BOSON

THE OPPOSITES SHOULD ALWAYS ATTRACT-ACT.

(Pleading to an unmoving QUARK.)

REACT. CONNECT. YOU ARE NOTHING BUT STEEL. MAGNET. I
AM. NEG-TIVE ENDS POSITIVE.

(Falling in shambles.)

End contour. End contour. End contour. End contour. End contour.
End contour. End contour. End contour.

QUARK

THE FIELD LINES SHOULD NEVER BE CROSSED!

<h3>4. CENTRATION</h3>

(BOSON throws a packet, full of electronic problems, at QUARK.)

(QUARK picks up the packet. She realizes the problems are elementary. She begins solving.)

(RESEARCH ASSISTANTS march in. They carry packets behind themselves. They surround QUARK.)

(BOSON directs RESEARCH ASSISTANTS to throw a packet at QUARK.)

BOSON

'TIL END, PROFESSOR, OF ALL LECTURES, LA-BRA-TOR-IES.

(RESEARCH ASSISTANTS hold and slur "concentration" as choruses.)

COULD YOU CONCENTRATE? STUDENT. OH YOU INFUR-ATE.
SENIOR. HAVE YOU DETER-RATE? CONCEN-

BOSON

RESEARCH ASSISTANTS

-TRATE.

(RESEARCH ASSISTANTS individually throw a packet at QUARK.)

(QUARK gradually kneels, in agony.)

(BOSON feels sickened. He stops RESEARCH ASSISTANTS. He levels with QUARK.)

BOSON

ALWAYS, A TRUE FRIEND, WHO WILL LISTEN, EXPERIMENT.
RIGHT NOW, A SAVIOR, PROVIDES METHODS, HANDS OUT
TECHNIQUES. BEYOND CENTRATION. NARRATE. OH DEAR
APPRENTICE. GERM-NATE. WOMAN WHO'VE GROWN WISE.

(QUARK, still on her knees, hands the packet to BOSON.)

(BOSON strikes pen ink over the packet. He hands the packet to QUARK.)

(QUARK looks at the packet and to BOSON.)

QUARK

YOU'VE CROSSED IT.

(BOSON grabs a book. He throws the book in QUARK's face.)

(QUARK falls back, unconscious.)

(BOSON and RESEARCH ASSISTANTS march off, taking the Office.)

5. G

SCENE v

[Conference Hall]

(PROFESSORS wander in. They pick up and read the packets surrounding QUARK.)

PROFESSOR

THESE GRADES DO NOT FIT THE CURVATURE.

PROFESSOR

I Q IS LEFT TO BE DESIRED.

(QUARK sits up.)

PROFESSORS

SUCCESS. THAT'S WHAT YOU ARE NOT.

PROFESSOR

LET B'S...

PROFESSORS

IN TRASH BINS OF HISTORY.

PROFESSOR

OH F'S...

PROFESSORS

YOU MIGHT AS WELL KILL YOURSELF.

(Leveling with QUARK.)

GRAD PROGRAMS ARE EXCLUSIVE. DON'T HAVE WHAT IT TAKES
FOR MASTER'S.

(Picking up the remaining packets.)

(ЛЕПТОНЫ rushes in.)

ЛЕПТОНЫ

SORRY I'M LATE. SORRY I'M LATE. SORRY I'M LATE. WOAH I
KNOW YOU!

(Rushing to QUARK.)

THANK YOU FOR SAVING MY LIFE. SERVICE NABBED THE
RESEARCH GROUP.

PROFESSORS

WHAT'S GOING ON?

ЛЕПТОНЫ

MY WING'S. WHAT'S GOING ON OVER HER. LADDER. SHE WON'T
NEED TO SOAR THE SKIES. GET OUTTA HERE.

(PROFESSORS leave.)

WHY SEE INVISIBLE?

QUARK

GEE-E... NORMAL PEOPLE ASK NAME FIRST.

ЛЕПТОНЫ

FAILURE... ЦИВИЛИСТ (tsivilist) DON'T HAVE THIS MUCH.

QUARK

IT'S BEYOND JUST AN F.

(ЛЕПТОНЫ rushes out.)

[The room darkens.]

6. FUSE

QUARK

SO CONFUSED. REFUSE. DIFFUSE.

(Rapping her hand around her head. She words the prefix to sound closer to "I".)

IN-...

(Wording the word to sound close to "feel".)

FUSE.

(Placing her hand on her heart.)

SO ELECTRIFYING!

(Standing tall and confident.)

NOW IS THE PERFECT TIMING.

(Placing a hand on her temple.)

YET, THE WOUND HAS LEFT ME STATIC.

(Looking up. She is once more confident. She states this assertively to herself.)

THUNDER LATER! CHARGE YOURSELF TO FLOW LIKE LIGHTNING!

(Bringing herself back to reality.)

THUNDER...

(Shedding a tear.)

NOTHING LIKE OVERCURRENT. RAIN OFF EXCESS HEAT.
END MY FIRE.

(Flinching.)

ZAP. BREAKER OUT OF ALL THE CURRENT. POSITIVE.

(Placing her hand on her heart.)

SENSORS DETECT MY HEART BEATING. HERE GOES NOTHING.
SOMETHING. ELECTRIFYING...

7. SUPER COLLIDE

SCENE vi

[Desertron]

(ЛЕПТОНЫ elegantly arrives, clad in a rancher's uniform.)

ЛЕПТОНЫ

HOWDY. JOIN IN THE CIRCUIT!

(Pointing in the distance.)

HOME TO DESERTRON. HOPE, THESE RAYS HOLD IN. BEAMS AS FAR AS THE EYES CAN SEE ANY BEING TO EVER TOP YOUR DISSERTATION.

QUARK

NO LABS THERE YET. WHAT KIND OF ADVISING YOU DO TO LEAD US HERE? MY NAT-RAL PHYSICS HAS BEEN TRAINED TO GET YOU COFFEE.

(ЛЕПТОНЫ wanders out.)

END UP WITH DESERTS.

(Noticing ЛЕПТОНЫ's disappearance.)

NOT THE COURSE TO DESERT THIS DOCT-RATE!

(Motioning to herself.)

WELL, THERE IT GOES. MY CONCLUSION. EGO'S NEVER HYPERSENS-TIVE. THIS MIND STAYS DEHYDRATED.

(ЛЕПТОНЫ tiptoes in, sanding off an operator's control.)

ЛЕПТОНЫ

HYPOT-SIS THAT THIS HEARTLAND OF INNOVATION BRINGS FREE

IN OUR LAWS. IN FACT, FORCE THESE WAVELENGTHFUL KEYS.

(Handing the control to QUARK.)

TAKING THOSE POSITIVITIES, FOCUSED IN A BEAM SO THEY'D.
PARDON MY, DECAY. JUST THEORIZE... SUPER COLLIDE.

(QUARK presses on the control.)

BEAMS SUPER COLLIDE!

*(Preparing for the collision. When nothing
happens, she takes over the control.)*

THEY ARE SHUTTING IT DOWN!

QUARK

BOSON

QUARK

WHAT ARE YOU DOING HERE?

BOSON

FEEDING THE UNKNOWN FORCE.

(Pickpocketing a stack of cash from ATOM.)

ATOM

KIDS' MEAL FUND!

(BOSON throws the stack of cash at the void.)

(POLITICIANS leap out and fight for the stack like dogs fighting over a bone. They set the debate. They focus on ATOM.)

POLITICIANS

WHERE IS THE MONEY IN THA-AT?

(Grabbing ahold of ATOM, upside down.)

WHERE IS THE MONEY IN THA-AT? WHERE IS THE MONEY IN THA-AT?

(Dropping ATOM and focusing on the operator's controls.)

WHERE IS THE MONEY IN THA-AT? WHO GON' BE PAYING FOR THA-AT? WHAT IS OUR DIVVY ON THA-AT? WHERE A TOWN SHANTY PLACE THA-AT. WHEN WORLD RIVALRIES START THA-AT.

(QUARK defends the operator's controls.)

WHY NO EXPLOITING WITH THA-AT! HOW WE FIND MONEY FOR THA-AT? HOW WE FIND MONEY FOR THA-AT? HOW WE FIND MONEY FOR THA-AT?

BOSON

BRING IT BACK.

(Taking the stack back from POLITICIANS.)

BRING IT TO ME IN MY LAB.

(Pointing to QUARK.)

BOSON (cont.)

ADDRESS CONGRESS FOR THESE HACKS. NO LONGER PAID WITH YOUR TAX.

(Handing the stack back to ATOM.)

POLITICIANS

(Taking apart the operator's controls.)

9. ELECTROFORMING

SCENE viii

[Magnet Factory]

(ATOM and ENGINEERs march in.)

(ENGINEERs set up the surroundings as a facility to build magnets. Much of the supplies are metals.)

ENGINEERs

(Addressing QUARK.)

CONFORM.

(ATOM hands a form to QUARK.)

FILL THIS FORM.

(QUARK quickly signs the form.)

COME WITH US. WORK WITH US.

(QUARK hands back the form.)

YOU'RE WELCOME. JUST HARD WORK.

(QUARK joins in with ENGINEERs. QUARK is given her helmet.)

ENGINEERS (cont.)

HEART ON FIRE. MIND ON ICE. CONFORM. CONFORM.

(Sitting at their workstation.)

CONFORM. CONFORM.

(ATOM sits down. He starts testing magnets with the metals.)

CONFORM. CONFORM.

(Seating QUARK next to ATOM.)

CONFORM. CONFORM.

QUARK

(Addressing ATOM.)

YOU HEAR ME? IS IT CLEAR? TOGETHER. NOW'S HELPFUL.

(Trying to hold back the internal cubicle she is trapped in.)

IN THE MOOD. TO FIGHT YOU...

ATOM

STAY PATIENT. THAT'S YOUR ROLE.

[The metals combust.]

(A supervising ENGINEER steps in.)

DIRECTOR. I'M SORRY. FORGIVE ME. FORGET ME.

(Focusing on QUARK.)

SAVE YOUR LIFE. SAVE YOUR LIFE.

QUARK

FIGHT FIGHT FIGHT. FIGHT FIGHT FIGHT.

ENGINEERs

DEFORM.

(ATOM and ENGINEERs depart with all but QUARK's workstation.)

10. PREON

(QUARK's head remains face down on the workstation.)

(ЛЕПТОНЫ tiptoes in.)

ЛЕПТОНЫ

YOU HAVE REACHED THE MASS POINT. PRINC-PL E OF
UNCERTAIN-TY. COLLECT YOUR PAR-DOX. SCATTER YOUR PLOTS.
КАНДИДАТ НАУК (kandidat nauk)? WHAT'S IT THAT YOU FEAR?

(Rolling QUARK over. She notices the magnets.)

OH. THESE ATTRACTING MAGNETS REPEL YOUR SPIRIT, WERE
IN PARTICLES. I WILL PRAY ON.

(QUARK riles herself up.)

QUARK

MY MODEL HAS ITS STANDARDS. I'LL NOT CONFLATE
POINTLIKE PART-CLES LIKE THESE DIPOLES IN
MAGNET-ZATION. MY EL-MEN-TAR-Y MINDSET KNOWS PSEUDO
PHYSICS. I'M PART FRAUD. THIS IS THE END, THIS
EXPERIMENT. MY BEING CANNOT TAKE THIS. DON'T HAVE THE
PHYSICS. MY BRAIN WAVES TRANSVERSED.

(ЛЕПТОНЫ looks through the workstation.)

QUARK (cont.)

DYING BY POLAR-ZATION. MY 'XISTENCE ONLY REPELS.

(ЛЕПТОНЫ pulls out a lightbulb and wires.)

I REALLY DON'T KNOW HOW YOU FIND POINTLESS MATTERS SO SENTIMENTAL.

(ЛЕПТОНЫ performs the experiment.)

ЛЕПТОНЫ

I'M MENTAL, SPEAKING YOUR LANGUAGE. JUST TRYING OUR CLASSIC PROJECTS. POINT PARTICLE'S HYPOT-SIS. POINT OF YOUR LIFE'S TO THEORIZE, MAYBE PREON. JUST HAVE A BELIEF. POSITRON TO 'LECTRON, DON'T BE ANTIMATTER ON ME NOW. JUST LIGHTEN UP, BE BRIGHTER COMRADE.

QUARK

TRY TO 'NITIATE CONDUCTION. MY TEMPER-MENT'S TO BE SHUNNED. PASSION'S NOT FOR SIMPLETONS.

ЛЕПТОНЫ

PREON.

(QUARK takes over the experiment.)

QUARK

STELLAR USAGE OF PREON. BUT THERE'S NO FAITH IN PREON. NOT A MATTER THAT'S PREON.

(Finishing the experiment.)

ИДИ ТЫ В БАНЮ (idi v'banyu)!

ЛЕПТОНЫ

IT'S YOU WHO NEEDS TO GET LOST. LET ME LIVE IN PAR-DOX.
PUPIL GO ON. QUIT.

(QUARK slides the magnets towards the light bulb.)

[The light bulb lights up.]

BEING A ХУЙ (hooy). QUARK, P H D.

QUARK

PRAISE BE.

ЛЕПТОНЫ

PREON.

[The Magnet Factory brightens up.]

(QUARK and ЛЕПТОНЫ intimately hold their gazes.)

(QUARK distances the magnets away from the light bulb.)

[Blackout.]

11. BRING THE CONDUCTIVITY

SCENE ix

[Accelerator]

[A barrier hides the Accelerator. There are chairs.]

(TECHNICIANS dress themselves in collegiate attire.)

(ЛЕПТОНЫ, BOSON, and TECHNICIANS wander or sit. Some TECHNICIANS shake hands. Some TECHNICIANS carry refreshments.)

[Fog disperses from a lower section. There is a boom.]

(ЛЕПТОНЫ and BOSON remain unstartled.)

(Sitting TECHNICIANS and some upright TECHNICIANS applaud.)

(The rest of TECHNICIANS tremble.)

(ЛЕПТОНЫ, BOSON, and TECHNICIANS sit.)

(QUARK strolls backwards in. She pulls a chalkboard. She turns only her head towards the fog, keeping her grip on the chalkboard.)

[The fog disperses, revealing a chalkboard eraser.]

(ЛЕПТОНЫ heads to pick up the chalkboard eraser.)

(QUARK drops her grip. She turns, revealing her torso. She feels embarrassed. She grabs the chalkboard eraser out of ЛЕПТОНЫ's hand. She places her free hand on the helmet on her chest, with a lanyard holding her helmet. She bows to ЛЕПТОНЫ.)

(ЛЕПТОНЫ places her hand on her helmet and bows.)

(QUARK erases the chalkboard and writes, "PIECE".)

ЛЕПТОНЫ

(Simultaneously extending her right arm.)

PEACE...

(QUARK writes, "of a magnetic quadruple.")

(Simultaneously extending her left arm.)

WITHIN HER HEART CHAMBERS...

(QUARK draws an "X" within the center of the lower right-half of the chalkboard. She writes, "is here".)

ЛЕПТОНЫ (cont.)

IS NOT QUITE THERE.

*(QUARK draws a circle that touches the "X".
The circle encompasses the whole chalkboard.
The circle's center is directly in the
middle of the chalkboard.)*

(TECHNICIANS stand up.)

SO, LET'S SETTLE FOR THE REST OF THE MIND.

(BOSON stands up.)

BOSON

THIS CANNOT STAND.

(Promptly sitting down.)

ЛЕПТОНЫ

(Placing her hand to her chest.)

YOU STRUCK A CHORD IN MY HEART.

(Clearing her throat and extending her arm.)

ИЗВИНИТЕ (izvinite), A CORE IN THE UNIVERSE.

(TECHNICIANS applaud.)

*(Some TECHNICIANS raise QUARK high up on
their shoulders.)*

(BOSON bolts out.)

(Some TECHNICIANs remove chairs and return.)

QUARK

HEY BUILDERS. I MUST-A SAY... THERE'S TIME FOR
LOLLYGAGGING. THERE'S SPACE JUST TO REST EASY.

*(ЛЕПТОНЫ attempts to direct TECHNICIANs to
set QUARK down.)*

HEY BUILDERS. SHE DOES DECLARE. I MAY BE FUN AND SHE'S
NOT. BUT SHE'S STILL YOUR GUARDIAN.

TECHNICIANs

CONGRATULATION-ION-IONS! TO THE NEW TECHNICIAN-IAN!

ЛЕПТОНЫ

ALL. ПРИВЕТ (privet)! PARDON ME. SHE DIDN'T FINISH
THIS LADDER.

*(TECHNICIANs let QUARK down. They leave to
uniform like engineers. They stand at
attention behind the barrier.)*

HEY QUARK E. I MUST REMIND... THAT LADDER'S AN ILLUSION.
WE COMRADES JUST SAW YOU SOAR.

QUARK

(Consoling herself.)

(BOSON enters with an ID.)

BOSON

(Pinning the ID onto QUARK.)

WELCOME TO THE CONTOUR.

(Heading behind the barrier.)

(QUARK feels stiff by the ending remark.)

HEY. CAREFUL. I MUST-A STATE... LET'S BE MODEST ON ENTRY.

ЛЕПТОНЫ

[The barrier opens to reveal the beauty of the Accelerator.]

QUARK

(Putting on the helmet.)
