

VAM analyzes the X-ray image. VAM has his left hand on his chin.

VAM points to the radius bone and ursa bone with his right hand. VAM lowers his left arm.

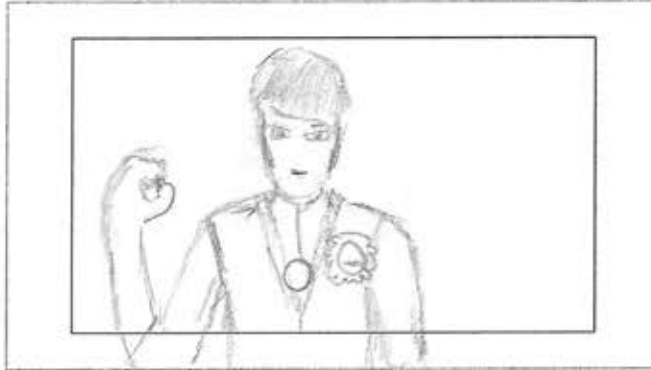

The point-of-view pans right and centers on VAM.

VAM: ...missed the humerus...

VAM: ...on that one.

VAM raises his right arm and pinches his index finger and thumb closer together.

VAM raises his left arm midway. The index finger of his left arm points towards the fourth wall.

VAM: Just *measle*-ly details.

VAM: Perfect for you anti-vaxxers out there.
