FELIZ enrolls to Silane University in November. FELIZ gets her name noticing all the Christmas decorations coming earlier and earlier. FELIZ submits to the university's inclusive nature that though she does not have parents, she will still be *indebted* to Silane. FELIZ is undecided. FELIZ is roommated with the rambunctious WENDY.

## CHARACTER BREAKDOWN

Character	Gender	Age	— Doubling ○ Tripling
<u>FELIZ</u>	Female	biologically 20s	
FELIZ apparently wears her “fur coat” all year long because she is always cold. The bigger the foot, the bigger the frost bites would be. There is a sassy nature to her.			
<u>WENDY KO</u>	Female	20s	
The roommate who has scared everyone off, but FELIZ.			
<u>ALON DECK</u>	Male	late 20s	
The year’s homecoming grand marshal. The student behind the supposedly inclusive nature of Silane University.
