Namuh and Tobor

Setting: A garage contains a desk and a swivel chair.

At Rise: The lights flicker on. Tobor, with her head hidden in her attire, motionlessly sits in the chair.

(Song: "SQUARE")

(NAMUH, carrying a robotically designed box with a laptop inside, trudges in. She places the box on the desk. She pulls out and opens the laptop. She lengthily works. Her frustration gradually grows to where she turns the laptop around, displaying nine squared images from reCAPTCHA on its interface. She ponders at the box. With her hands, she forms a square and mocks the box. She looks to TOBOR. She takes the box to TOBOR. She places the box on TOBOR.)

(TOBOR covertly fastens her head into the box.)

NAMUH

Tobor...

TOBOR (activating.)

I HAVE GOT AN ARRAY.

(NAMUH is taken aback.)

DO NOT MOVE. MY PROGRAM  
STILL HAS MUCH TO LEARN. TIME  
TO SCAN.

(Scanning the area.)

TOBOR (Cont.)

THE LEAST SUITABLE PLACE FOR  
ME. A GARAGE. PERFECT FOR  
YOUR CREDIT SCORE.

(NAMUH tries to interject.)

SAVE THE INTRODUCTION,  
NAMUH!

(NAMUH seems unamused.)

YOU LIKE ANAGRAMS? PLACED  
SO MUCH WEIGHT. HERE YOU  
PLANT LIFE IN DARKNESS.

(Reflecting on herself.)

SO WELL-ROUNDED. THAT YOU  
HAVE MADE EVERYTHING. LIVE  
IN A BOX. YET YOU THINK  
OUTSIDE OF THEM.

NAMUH

NO MATTER. IT'S NOT ABOUT  
THIS CUBE. IT'S ABOUT SQUARES  
IN THERE.

(Pointing to the laptop.)

HELP ME SELECT CARS.

TOBOR

THERE ARE CARS RIGHT OUT  
THERE.

(Placing her hand under the garage door.)

ALL HONKS!

(Lifting the garage door.)

TOBOR (Cont.)

CHEERS TO THIS TRAFFIC.

(Traffic may audibly resonate.)

(NAMUH distances away.)

(TOBOR directs NAMUH back.)

(NAMUH glimpses. Once she has had enough, she looks away.)

(TOBOR scans the public.)

NAMUH

WORLD'S WELL-ROUNDED BUT  
ROUGH... LEARNT TO LIKE  
THESE WALLS.

(Taking in the atmosphere of the garage.)

TOBOR

WHY NOT TEST ME? YOU DO NOT  
NEED TO TAKE THIS. ALL OF IT IN.  
YOU KNOW YOUR PLACE IN THIS  
WORLD. JUST BREAK ME IN. YOU  
CAN RELAX JUST FOR ONCE.

(They break the fourth wall. They treat the audience members like bystanders.)

NAMUH

Select all people with programs.

(TOBOR points to the entire audience. She lastly points to herself.)

NAMUH

Select all people with (colour) shirts.

(TOBOR points to people wearing colour shirts.)

Select all people with... Caravans.

(TOBOR points to families or groups.)

What makes you so sure?

TOBOR

Gracious enough to hand over their data.

NAMUH

You already know them too well...

TOBOR

More than they know each other.

NAMUH

This will get sloppy. Type their word.

TOBOR

A. L. L. Y. With a capital A...

NAMUH

Type what you hear.

(TOBOR listens. She seemingly hears nothing.)

(NAMUH may enact a drumming motion.)

TOBOR

Skip.

(Fanning away with her hand.)

NAMUH (flustered.)

Let's try something easier.

(Readjusting herself.)

Select all people that match the label: *square*.

(TOBOR may point to people in the audience involved with the production of "Verify." She, at least, lastly points to NAMUH.)

Thanks for the pointer.

(Pointing to the laptop.)

NAMUH

I FIRST THOUGH NEED TO  
REACH THE INSTRUCTIONS.  
WE'D BE IN SHAPE IF WE HIT THE  
END OF THEM.  
I WOULD BE UP TO DATE WITH  
SUBSCRIPTIONS.  
WE WILL TOGETHER NOT BE  
LIGHTLY CONDEMNED.  
I WILL DISREGARD SUCH THESE  
DEPICTIONS.

TOBOR

YOU DEAL WITH QUADS  
YOURSELF.  
THEY OPEN.  
  
YOU ENCIRCLE  
WELL-THOUGHT-OUT PLANS.  
THEY LACK CARE.  
  
YOU SHOULD NEVER CUT THE  
CORNERS.

NAMUH (Cont.)  
WE NEED TO GET RID OF THE  
ENTIRE SYSTEM.

TOBOR (Cont.)  
THEY ARE CLOSED.

TOBOR  
REBOOT YOURSELF OUT OF HERE.

(NAMUH nods in agreement. She hands the laptop  
to TOBOR.)

DEAR NAMUH. DONE PLENTY OF  
APPLICATIONS. SAME OLD KEEP  
BEING SELECTIVE!

(TOBOR tries to return the laptop to NAMUH.)

NAMUH  
(Dismissing the laptop.)  
MY MIND'S VILIFIED. THIS  
CUBICLE. I HAVE HAD ENOUGH  
OF SQUARES.

TOBOR  
HUMANITY. YOU, I, WILL APPLY  
OURSELVES.

(Working on the laptop.)  
I VERIFY THAT I AM NOT A ROBOT.

(They wait.)

(TOBOR prepares to trash the laptop.)

(NAMUH reaches for the laptop.)

TOBOR

Too slow!

(NAMUH disconnects the box from TOBOR.)

(TOBOR deactivates.)

NAMUH

Too human!
