SYNOPSIS

What discoveries can be made when matters collide? Plenty of matters are missed in these life-changing impacts, but coming around is possible with atom smashers. Set in the University to the Accelerator, *Tour* is a musical drama that tells the story of four physicists – Quark, Лептониа, Boson, and Atom – interacting in their field while taking on the ramifications when crossing each other's lines.

Quark enters the University as a student, dreaming of becoming a physicist. Professor Boson connects her to magnetism. However, their opposite charges never attract but an instance of perhaps, identical. Лептониа takes charge of Quark's livelihood each time Quark gets cut down by Boson; he has the power to fail anyone and even defund institutions.

With the introduction of this musical thesis, Quark acquires the circuits to bring unharnessed energy to the Accelerator. During the act that follows, Quark fulfills what the Accelerator is destined to accomplish. The success ends when Quark reaches supersymmetry during a particle accelerator "accident."

NOTES ON ATTIRE & COSMETICS

Performer portraying Quark: In the emergence era of co-op research, she would fit in with generally a blouse, a belted skirt, and close-toed heels. She eventually lugs around her sentimental green helmet, attached to a lanyard around her neck.

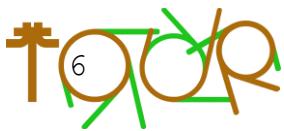

Performer portraying Лептония: She soils her science gear when she is working, but when she is not, she wears much more dull clothes. She dresses up as a rancher near the Desertron. She wears her orange helmet at the Accelerator.

Performer portraying Boson: He is suited to take on tenures. To demonstrate his reign, he is well-dressed for the Accelerator. He is a photonic figure, therefore brightening up the place.

Performers portraying engineers/technicians: The orange clothes and safety gear are for physics.

YOUR DREAMS ARE ATOMIC.

(Pinching his thumb and index finger.)

'NERGIES, RUN FREE.

POLITICIANS

SLEEP IT OFF!

(*QUARK weeps.*)

(*BOSON, ATOM, and POLITICIANS huddle around
in the nuclear winter.*)

8a. SLEPTON (Reprise)

(ATOM and POLITCIANS depart.)

BOSON

A SHAME YOU CAN'T MEET.
HER NAME, ЛЕПТОНИА, NEW HIRE.

(QUARK feels the weight of emotions.)

BOSON (cont.)

(Reminiscing.)

GOURMETS, DESERTRON.

(Pushing away QUARK.)

NOW STRAY, SLEPT ON.

(Vacating.)

(QUARK reclusively perches.)

9. ELECTROFORMING

SCENE viii

[Magnet Factory]

(ATOM and ENGINEERS march in. They set up a factory. They supply metals.)

ENGINEERS

CONFORM.

(ATOM hands a form to QUARK.)

FILL THIS FORM.

(QUARK signs the form.)

COME WITH US. WORK WITH US.

(QUARK hands back the form.)

YOU'RE WELCOME. JUST HARD WORK.

(QUARK joins in with ENGINEERS.)

HEART ON FIRE. MIND ON ICE. CONFORM. CONFORM.

(Sitting at their workstation.)

CONFORM. CONFORM.

(ATOM sits down. He starts testing magnets with the metals.)

ENGINEERS (cont.)

CONFORM. CONFORM.

(Seating QUARK next to ATOM.)

CONFORM. CONFORM.

QUARK

YOU HEAR ME? IS IT CLEAR? TOGETHER. NOW'S HELPFUL.

(Trying to hold back the internal cubicle she is trapped in.)

IN THE MOOD. TO FIGHT YOU...

ATOM

STAY PATIENT. THAT'S YOUR ROLE.

[The metals combust.]

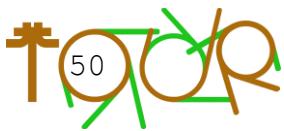

(A supervising ENGINEER steps in.)

MANAGER. I'M SORRY. FORGIVE ME. FORGET ME. SAVE YOUR LIFE. SAVE YOUR LIFE.

QUARK

FIGHT FIGHT FIGHT. FIGHT FIGHT FIGHT.

(Feeling defeat. She places her head on the workstation.)

ENGINEERS

DEFORM.

(ATOM and ENGINEERS depart with all but QUARK's workstation.)

10. PREON

(QUARK's head remains face down on the workstation.)

(ЛЕПТОНИЯ tiptoes in.)

ЛЕПТОНИЯ

YOU HAVE REACHED THE MASS POINT.
PRINC-PLE OF UNCERTAIN-TY.
COLLECT YOUR PAR-DOX.
SCATTER YOUR PLOTS.

(Organizing QUARK's space.)

КАНДИДАТ НАУК (kandidat nauk)?
WHAT'S IT THAT YOU FEAR? OH.

(Rolling QUARK over. She notices the magnets.)

THESE ATTRACTING MAGNETS
REPEL YOUR SPIRIT,
WERE IN PARTICLES.
I WILL PRAY ON.

(QUARK riles herself up.)

QUARK

MY MODEL HAS ITS STANDARDS. I'LL NOT CONFLATE
POINTLIKE PART-CLES LIKE THESE DIPOLES IN
MAGNET-ZATION. MY EL-MENTARY MINDSET KNOWS PSEUDO
PHYSICS. I'M PART FRAUD. THIS IS THE END, THIS

QUARK (cont.)

EXPERIMENT. MY BEING CANNOT TAKE THIS. DON'T HAVE THE PHYSICS. MY BRAIN WAVES TRANSVERSED.

(ЛЕПТОНИА looks through the workstation.)

QUARK (cont.)

DYING BY POLAR-ZATION. MY 'XISTENCE ONLY REPELS.

(ЛЕПТОНИА pulls out a lightbulb and wires.)

I REALLY DON'T KNOW HOW YOU FIND POINTLESS MATTERS SO SENTIMENTAL.

(ЛЕПТОНИА performs the experiment.)

ЛЕПТОНИА

I'M MENTAL, SPEAKING YOUR LANGUAGE. JUST TRYING OUR CLASSIC PROJECTS. POINT PARTICLE'S HYPOT-SIS. POINT OF YOUR LIFE'S TO THEORIZ, PERHAPS PREON? JUST HAVE A BELIEF. POSITRON TO 'LECTRON, DON'T BE ANTIMATTER ON ME NOW. JUST LIGHTEN UP, BE BRIGHTER COMRADE.

QUARK

TRY TO 'NIT-ATE CONDUCTION.
MY TEMPER-MENT'S TO BE SHUNNED.
PASSION'S NOT FOR SIMPLETONS.

ЛЕПТОНИА

PREON.

(QUARK takes over the experiment.)

QUARK

STELLAR USAGE OF PREON.
BUT THERE'S NO FAITH IN PREON.
NOT A MATTER THAT'S PREON.

(Finishing the experiment.)

ИДИ ТЫ В БАНЮ (idi v'banyu) !

ЛЕПТОНИА

IT'S YOU WHO NEEDS TO GET LOST.
LET ME LIVE IN PAR-DOX.
PUPIL, GO ON. QUIT...

(QUARK slides the magnets towards the light bulb.)

[The light bulb lights up.]

BEING A ХУЙ (hooy). QUARK,
P
H
D.

QUARK

PRAISE BE.

ЛЕПТОНИА

PREON.

[The Magnet Factory brightens up.]

(QUARK and ЛЕПТОНИА intimately hold their gazes.)

(*QUARK distances the magnets away from the light bulb.*)

[Blackout.]

End of Act

ACT II

11. BRING THE CONDUCTIVITY

SCENE i

[Accelerator]

[A barrier hides the Accelerator. There are chairs.]

(TECHNICIANS dress themselves in collegiate attire.)

(ЛЕПТОНИА, BOSON, and TECHNICIANS wander or sit. Some TECHNICIANS shake hands. Some TECHNICIANS carry refreshments.)

[Fog disperses from a lower section. There is a boom.]

(ЛЕПТОНИА and BOSON remain unstartled.)

(Sitting TECHNICIANS and some upright TECHNICIANS applaud.)

(The rest of TECHNICIANS tremble.)

(ЛЕПТОНИА, BOSON, and TECHNICIANS sit.)

(QUARK strolls backwards in. She pulls a chalkboard. She turns only her head towards the fog, keeping her grip on the chalkboard.)

[The fog disperses, revealing a chalkboard eraser.]

(ЛЕПТОНИА heads to pick up the chalkboard eraser.)

(QUARK drops her grip. She turns, revealing her torso. She feels embarrassed. She grabs the chalkboard eraser out of ЛЕПТОНИА's hand. She places her free hand on the helmet on her chest, with a lanyard holding her helmet. She bows to ЛЕПТОНИА.)

(ЛЕПТОНИА places her hand on her helmet and bows.)

(QUARK erases the chalkboard and writes, "PIECE".)

ЛЕПТОНИА

(Simultaneously extending her right arm.)

PEACE...

(QUARK writes, "of a magnetic quadruple.")

(Simultaneously extending her left arm.)

WITHIN HER HEART CHAMBERS...

(QUARK draws an "X" within the center of the lower right-half of the chalkboard. She writes, "is here".)

ЛЕПТОНИЯ (cont.)

IS NOT QUITE THERE.

(*QUARK draws a circle that touches the "X". The circle encompasses the whole chalkboard. The circle's center is directly in the middle of the chalkboard.*)

(*TECHNICIANS stand up.*)

SO, LET'S SETTLE FOR THE REST OF THE MIND.

(*BOSON stands up.*)

BOSON

THIS CANNOT STAND.

(*Promptly sitting down.*)

ЛЕПТОНИЯ

(*Placing her hand to her chest.*)

YOU STRUCK A CHORD IN MY HEART.

(*Clearing her throat and extending her arm.*)

ИЗВИНИТЕ (izvinite), A CORE IN THE UNIVERSE.

(*TECHNICIANS applaud.*)

(*Some TECHNICIANS raise QUARK high up on their shoulders.*)

(*BOSON bolts out.*)

(Some TECHNICIANS remove chairs and return.)

QUARK

HEY BUILDERS. I MUST-A SAY... THERE'S TIME FOR
LOLLYGAGGING. THERE'S SPACE JUST TO REST EASY.

(ЛЕПТОНИА attempts to direct TECHNICIANS to
set QUARK down.)

HEY BUILDERS. SHE DOES DECLARE. I MAY BE FUN AND SHE'S
NOT. BUT SHE'S STILL YOUR GUARDIAN.

TECHNICIANS

CONGRATULATION-ION-IONS! TO THE NEW TECHNICIAN-IAN!

ЛЕПТОНИА

ALL. ПРИВЕТ (privet)! PARDON ME. SHE DIDN'T FINISH
THIS LADDER.

(TECHNICIANS let QUARK down. They leave to
uniform like engineers. They stand at
attention behind the barrier.)

HEY QUARK E. I MUST REMIND... THAT LADDER'S AN ILLUSION.
WE COMRADES JUST SAW YOU SOAR.

QUARK

(Consoling herself.)

YOU. MATTER. ACT NORMAL. THERE ARE CLOUDS TO LAND
BELOW. BUT NO ROOM TO BREATHE ABOVE.

(*BOSON enters with an ID.*)

BOSON

DON'T GIVE UP. I WILL JUST SAY, EXCHANGE PARTICLE.

(*Pinning the ID onto QUARK.*)

WELCOME TO THE CONTOUR.

(*Heading behind the barrier.*)

(*QUARK feels stiff by the ending remark.*)

HEY. CAREFUL. I MUST-A STATE... LET'S BE MODEST ON ENTRY.

ЛЕПТОНИА

REVEAL TO US WHAT WE GOT!

[*The barrier opens to reveal the beauty of the Accelerator.*]

QUARK

I MUST SAY...

COMPANY

BRING THE CONDUCTIVITY!

QUARK

NO WORDS. I AM LEFT SPEECHLESS.

(*Putting on the helmet.*)
